PRESS RELEASE

Miles Nelson's Secure Zone range of safety stays, protecting your home and family.

Miles Nelson is pleased to announce the launch of its new Secure Zone range of safety stays.

Already known for the delivery of their quality hardware products, the design team set out to develop a security window stay that was *"Better by Design"*

Family security was paramount in the design process of the safety stay. Deterring unlawful entry while incorporating functionality and a degree of style. The team have succeeded on every level!

The safety stay can be used as a window opening restrictor with three different locking positions.

The safety stay incorporates a registered design for the unique *"glide system"* that allows for hands free movement of the safety stay.

Available for both Aluminum and Timber joinery applications. Colour options include White and Satin for timber joinery and White, Black and Satin for Aluminum joinery.

Robust construction, easy installation and a 5 year warranty, complete the package.
