## PRESS RELEASE

### Miles Nelson's new Coastal Handle Range "Made to withstand extreme environments"

**Miles Nelson is pleased to announce the launch of their new contemporary Coastal stainless steel handle range.**

**Made from solid stainless steel they are presented for the most demanding environments.**

**Designed to compliment traditional and modern style homes with long lasting and durable elegance.**

**These handles are sturdy and finely crafted from stainless steel and reflect modern European design's with simple straight lines and subtle brushed metal tones that coordinate well within the home.**

**Concealed fixing, screw on cover plates and new square design's complete the new product range.**

HARDWARE OF DISTINCTION

Available in 7 styles the new clean, sleek look of the coastal range will add a dramatic and coordinated look to any interior by combining elegance with the strength and functionality.

These products are available now from Miles Nelson.
