PRESS RELEASE

Miles Nelson's Secure Zone range of patio and window bolts, protecting your home and family.

Miles Nelson is pleased to announce the launch of it's new Secure Zone range of patio and window bolts.

The new range incorporates a sleek slim-line design, improved functionality and lives up to the tag line *"Better by Design"*

Deterring unlawful entry and family security were paramount in the product development process. The use of concealed screws for fixing and incorporating a secure locking function with a degree of style.....is no accident.

The patio and window bolts are New Zealand registered design's and are suitable for installation on aluminum or timber joinery.

Colour options include White, Satin and Black. Available in twin and single pack options.

Robust construction, D-I-Y friendly installation and a 5 year warranty, complete the package.

For more information contact Miles Nelson directly.
