## PRESS RELEASE

The complete range of Germ-X® hand sanitizers is now available from Miles Nelson.

Hand hygiene is one of the simplest and most effective means available for preventing the spread of germs that can cause illness. Save time by cleaning hands with Germ-X® instant hand sanitizers and protect against germs and bacteria that lead to nasty winter colds!

Germ-X® kills 99.99% of many common harmful germs in as little as 15 seconds. It is designed to kill germs when you don't have access to soap and water. Perfect for use on building sites, camping grounds, gyms and in schools.

Available in a range of sizes for different applications, including the convenient carry sized bottle.

The complete range of Germ-X® hand sanitizers is available now from Miles Nelson.
